of ICT for Ageing Well

2nd AgeingWell International Event Vilamoura, Portugal

Held on the 19th September, within the [AAATE 2013](#), this event focused on **"Future Policy Framework for ICT & Ageing"** and gave participants an overview on the future perspectives on funding programmes these fields, namely under the Horizon 2020. A full report on this event, will be soon made available on the AgeingWell [web portal](#).

AgeingWell Member's Activities

Europe Unlimited organised
European Venture Contest -
HealthTech 2013

The [EVC HealthTech 2013](#) took place in **Aarhus, Denmark, on the 24th October**. It showcased Europe's 25 HealthTech Companies in action pitching their businesses to a jury of business angels, venture capitalists and corporate investors. The event aimed to unite, the most promising, companies and entrepreneurs with solutions addressing the unmet needs in health technologies, providing them with opportunities for collaboration, funding and human capital development.

**St. Nicholas &
St. Alexander**

A [modern residential](#) nursing home centre dedicated to caring for the elderly, lonely or suffering or people in recovery after surgery. It offers residence in two locations in downtown Bucharest, near Victoriei Square and Cotroceni, respectively providing a high standard of health and social care, placing the individual at the centre of all it does.
